June 2012

## PRESIDENT'S REPORT

Hello and welcome to the June Hot Dog.

Firstly I would like to thank those who volunteered on the 10-June-2012 to help with setting up rings and stewarding in less than pleasant winter conditions. Without the generosity of members giving up their time to assist with trials and van driving, the club would not be able to function.

On the 10-June-2012 the club held a DogsWest Obedience trial and our first Rally O trial.

Despite the atrocious weather and a number of Canine competitors being in NSW for the 2012 Nationals, we had a good turn out of competitors which resulted in a great day of trialing. Rally O proved to be very successful and was enjoyed by all including myself.

Rally O is a new and fast growing sport to Western Australia and has been well received.

A mix of Obedience and basic Agility, this fast moving and motivational sport allows more freedom of interaction with your dog while trialing, including vocal praise and patting.

If you like obedience but find trialing to be very rigid, you'll love Rally O because it does not require the exact precision of Obedience for success.

For further information please read below.

Interested in Agility or would like to know more, we will be holding a DogWest Agility trial on the 5<sup>th</sup> August at 9:00am. So why not come down and see these fast paced furry competitors strut their stuff.

On a last note - when training your dog, remember that repetition and consistency is the key to achieving the desired results.

Small steps achieve more than great expectations.

Peter Kerr  
President
